AUDITIONS!

Kids Court

by David Bass and John Kane

Reality TV runs amok in NCFO's 2015 production, *KIDS COURT*, written by NCFO Artistic Director David Bass and *Antiphony / Flying High* librettist John Kane. In this farcical, hilarious satire, underage plaintiffs and a jury of their (kid) peers beset the beleaguered grownup defendant, while the irrepressible Judge Trudi doles out justice in front of a live studio audience. This fully-sung, 90-minute show was first performed by NCFO in 2007 and is raucous fun for audiences of all ages!
