

*Like to
Sing?*

North Cambridge
FAMILY OPERA
Company
Festival Chorus
is recruiting for

*Interested
in Science?*

Directed by Laura Backley

INVITING adults and children, ages 6 and up (age 6 to 11 requires an accompanying adult), to sing about weather and climate, including songs about tornadoes, rain and thunderstorms, El Niño and La Niña, the ozone hole, ocean level rise, polar, temperate, and tropical climates, and the distinction between weather and climate.

Sing fun, original songs by David Bass, David Haines, Andrea Gaudette, Lauren Mayer, and more!

REHEARSALS:

WEDNESDAYS, 6:15pm to 7:30pm, at the Peabody School, 70 Rindge, Cambridge, MA (will include some discussion of the science)

REGISTRATION at the first two rehearsals, January 25 and February 1

PERFORMANCES:

Sat. 4/15, 3pm, Peabody School

Sat. 4/22, 3pm, Broad Institute

Sun. 4/23, 4pm, Museum of Science
