## *Singin' of the Rain*

Songs about Weather  
and Climate

Directed by Laura Backley

Music & Lyrics: David Bass, Andrea Gaudette, David Haines, Ruth Hertzman-Miller, Leo Hurley, Christine Kallman, Daniel Kallman, Bruce Lazarus, Tim Maurice, Lauren Mayer, Meg Muckenhoupt, Molly Ruggles, Stanley Sagov, & Rachael Shearmur

A concert of entertaining and enlightening songs on the themes of weather and climate, and the distinctions between the two. A medley of songs written by Cambridge Public School students working with David Haines will also be performed. Presented by an intergenerational chorus, for audiences of all ages, with an accompanying slideshow of children's artwork and lyrics.
