**STARTS WEDS, JANUARY 29**

**DIRECTED BY DAVID BASS**

**INVITING** adults and children, ages 6 and up (under 12 requires an accompanying adult), to sing about vision and the other senses. Our intergenerational chorus will present a program about how our senses work, how they developed, how they can go wrong, and how they're different in other species. Fun, original, scientifically accurate songs by David Haines, Dan Kallman, Bruce Lazarus, Lauren Mayer, Ruth Hertzman-Miller, Tim Maurice, Molly Ruggles, and more, as part of the 2020 Cambridge Science Festival!

**REHEARSALS:**

**WEDNESDAYS**, 6:15pm to 7:30pm, at the Peabody School, 70 Rindge, Cambridge, MA (will include some discussion of the science)

**PERFORMANCES:**

Sat. 4/25, 3:00pm, Cambridge Main Library  
Sun. 4/26, 3:00pm, Peabody School

**REGISTRATION** at the first 2 rehearsals, Jan 29 and Feb 5
