The Nose Knows if some-thing's strange or
could mean dan-ger. When things stink it makes us stop and think___ The Nose
Knows Some-times smell is how we tell the prop-er re - ac - tion; and that's ol - fac -
- tion. When vol - a - tile mol - e - cules en - ter our nose
___ they give us im - por-tant in - for - ma - tion For ex - amp - le if food smells
rot - ten, it ought - a be ___ for - got - ten ex - cept in the case of fer - men - ta -
- tion. The Nose Knows if some-thing's strange or could mean dan-ger. When things
stink it makes us stop and think___ The Nose Knows Some-times smell is
how we tell the prop-er re - ac - tion; and that's ol - fac - tion.
Our sens-es can let us know what to a - void___ when some-thing un - ex -
pect-ed has ap-peared___ Like peo-ple who got sick or chem-i - cals that are
