...both on our Vimeo "Science Song of the Week" page here:  
<https://vimeopro.com/ncfo/2021-csf-songs>

and on our home page here:  
<http://www.familyopera.org/drupal/>

Thank you ALL, but especially Emilija, who put in many hours first putting together the video, then taking lots of nit-picky feedback and cheerfully implementing changes, and finally patiently waiting until the gods of the internet decided that they would allow her to upload the final version (after multiple failures). Also thanks to David for excellent audio editing, and to Carla, for helping with the slides and images.

Enjoy, and spread the word! --Sue and David
