Hi everybody, we're missing our weekly get-togethers and missing seeing you all. With luck and vaccines for kids coming online in the fall (fingers crossed!), we're hoping for in-person rehearsals and performances next year.

We have finally posted the Cambridge Public School Medley, our last "song of the week", only a couple of months after the end of the Science Festival. As always it is posted:

...both on our Vimeo "Science Song of the Week" page here:

<https://vimeopro.com/ncfo/2021-csf-songs>

and on our home page here:

Thank you ALL as always! Enjoy, and spread the word! --Sue and David
